Before your school visit

Welcome to Tekniska! We have gathered some practical information which you need to read before your visit to the museum. Most important – we wish that all your students take part of the terms and conditions.

If you have booked a school program

The museum is open Monday–Sunday from 9:00 AM to 9:00 PM. If you are visiting with multiple classes or are divided into groups for workshops, you can explore our exhibitions with the students who are not participating in the tour or workshop. When visiting the exhibitions, students should be accompanied by teachers in smaller groups. Admission to Tekniska is included in all school programs (tour, workshop, or Wisdome show/film).

Finding your way to Tekniska

Tekniska is located at Djurgården, not far away from Kaknästornet. The easiest way to reach the museum is by bus 69 from Central station or Sergels torg. Bus stop Museiparken. We have a lot of schools visiting us and bus 69 is often full so please consider alternative route e.g. bus 76, bus stop Berwaldhallen and approx. 15 min walk from there. If you´re traveling with a larger group, it´s always a good idea to email gruppanmalan.stockholmcity@keolis.se to let them know at SL. Please visit www.sl.se to plan your trip. If you are arriving with a chartered bus – there's a bus parking close to Sjöhistoriska Museet.

Invoice

School programs to be cancelled at least 7 days in advance, cancellation after this and there will be a cancellation fee of 995 kr.

Cloakroom

Next to the entrance is the cloakroom where you can find coat hangers for jackets and bags. The students shouldn't use the lockers, they are for other visitors. If you want to leave valuables a teacher may gather the things and use a few lookers for this.

Packed lunch/restaurant

You may eat your packed lunches at the Serviceytan that has limited space, Serviceytan can't´ be booked in advance and it´s sometimes very busy during lunch, especially between 12.00-13.00, please try to plan another lunchtime. If the weather allows, you may also have your packed lunch outdoors – but you can´t use the outdoors tables of the restaurant. It's not allowed to consume any food or beverage in the exhibitions/other spaces, except Serviceytan.
